CHASNEY BEAUTY

## Design concept:

“Chicago” is a collection that is a tribute to this classic as well as to each and every one of the talented artists who once graced the stages of Broadway.

“Did my heart and mind ever changed?” That would be a question for most the people left in their mind at the moment they left the theater.

Even how the things surrounding are so ridiculous, trusting your own minds would be the only easy way that can live free and confidently.

This is one of our SIGNATURE collections- “Chicago”, a collection with timeless.... For the chic and nostalgic you!

## Product Features / Key selling points:

The Leavers lace provides a feminine and fragile look yet ensures great support for all types of lingerie including the Balconette bra, Push up bra, U/W bra and also the full busted bra designs up to G cup sizes (UK size system).

Matching brief and thong are also fashioned out of luxurious lace

The range continues to be one of our best sellers across the globe and is designed for both Western and Asian fit.

To meet popular demands, the brand has expanded the collection to include more styles such as the matching pyjamas set with fine modal kit.
