

A woman with long, wavy brown hair is posing against a gold-colored wall with decorative paneling. She is wearing a two-piece lingerie set: a pink lace bra with thin straps and a matching pink silk skirt with a white lace hem. She is also wearing a gold necklace with a large flower pendant. Her hair is blowing in the wind, and she has a soft expression.

CHASNEY BEAUTY

Design concept:

You will never get enough of the “Chicago” range when you are truly in love with this gorgeous lingerie and so is our designer.

Without ruining the reputation or compromising in fit and comfort, we put extra care and effort when designing this extended collection in beautiful silk satin fabric.

The Chicago family is growing and we don't see any reason to stop it from growing.

Product Features / Key selling points:

UBalconette bra is still a must have even though the under band is now replaced by stretch silk. A new must-have sexy sling padded cup lace bra is available in which sling padding covered in silk lays beneath the rigid lace for support. This sexy bra is definitely a must for girls who appreciate the beauty of lingerie.

For glamour sizes, which is full busted ladies, a new 3-section cup design is now available in full lace. Rigid version on the cups and stretch version at the back wings.

For all our Chicago lovers, we strongly recommend the matching French Knickers and sexy thong both made with Rigid Leavers lace and Glossy silk satin.

To complete the story, a waist cincher in lace and silk is launched too.

We re-made this Chicago Leavers lace into a rigid version as we know that only rigid lace can do the job of good support without losing the see through effect.

Other matching sets like dress & half bottom skirt are now available.
